

**B. G. N. C.—151; FINDLAY—0**

Bee Gee had a field day, quiet again, but nevertheless enthusiastic on Saturday afternoon, October 15, at the Ridge street grounds when they ran up a score of 151 to 0 against Findlay college. This is the largest score in college football in the northwestern part of Ohio.

No team was completely wrecked and helplessly beaten. The young professors scored just one minute and forty-three seconds after the whistle blew and averaged one touchdown every two minutes and twenty-seven seconds of play for the rest of the contest.

But the visitors did fighting and gained the admiration of the local fans because of H. Bachman's run, from the kickoff, eighty yards to a touchdown was one of the features of the game. Skibbie Raberding and McMan all made substantial gains through the weak "Orange and Black" line. Every gain was made possible by perfect teamwork and interference. Findlay made no first downs.

In the second half the home boys used the pass to a good advantage. Bachman accomplished an unusual feat of kicking 19 out of 22 goals.

Coach Krieger is to be commended for the manner in which he has handled his men.
